**MARION COUNTY SHERIFF'S
PRECISION MOTORCYCLE DRILL SQUAD, INC.**

Law Enforcement Ambassadors of Good Will

Each year, thousands of people throughout Central Indiana and across the country experience the thrill of seeing the Drill Team perform. From their countless visits to elementary schools, charitable events, and community functions, the Drill Team is honored to serve as Law Enforcement Ambassadors of Good Will to our communities.

The deputies on the Drill Team perform on their own time. They currently ride Harley-Davidson Road King Police Motorcycles. These motorcycles are assigned to each deputy and are used in their daily traffic law enforcement duties. The team executes a multitude of precise and difficult drills requiring months of practice and choreography. The thrilling performances require both concentration and athletic ability to maneuver the 800-pound precision machine.

Performing each year prior to the start of the Indianapolis 500 Mile Race, known around the world as "The Greatest Spectacle in Racing", the team has also had the honor to perform in three Presidential Inaugurations. In 1993, they traveled to Queensland, Australia to perform for the Australian Indy Car Grand Prix.

It is your annual membership and contributions that enables us to fulfill our mission as Law Enforcement Ambassadors of Good Will. The Marion County Sheriff's Precision Motorcycle Drill Squad, Inc. is a not-for-profit corporation and is financed entirely by private individuals and corporate donations. Without the continued guidance and support of private individuals, companies, neighborhoods, and the Law Enforcement Officers themselves, the Drill Team would cease to exist.

With your continued support, the Drill Team will continue to strengthen the relationship between law enforcement and the public they serve, building better communities in which we live, work and raise our families. I ask that you please join me in supporting our law enforcement community by renewing your membership today. Thank you for your past, present and future support of law enforcement and our team.

Sincerely,

Jeffery L. Cardwell, President
